

April 29th, 2020

Hello. According to the Rutherford Health Department, as of 3:00 pm today, the total number of COVID-19 positive cases in Rutherford has risen to a total of 167.

The residents with new positive results are 53 and 55 years old. The situation continues to be closely monitored by the Health Department. Our first responders continue to take all possible precautions when assisting our community.

I'd like to thank all of our first responders for your tremendous dedication to our community. Please continue to support them by donating N-95 and non N-95 masks, disposable gloves and disposable gowns. Please contact the Mayor's office directly at 201-460-3022.

We'd like to remind you that ticketing for alternate side of the street parking will resume on Monday, May 4th. Please help us keep your neighborhood beautiful by remembering to move your car on your scheduled day.

In response to requests for seeing the growth of cases over time, we're providing a [snapshot of the progression of documented cases](#) in Rutherford since March 19th.

I'm happy to report that DaMario Pizza located at 25 Park Ave has reopened and offering delivery and take-out. Their hours and contact information can be found on the Borough website. If you are an open essential business and have not already done so please fill out the form on our [Borough website](#).

We'd like to thank the Navy and Air Force for the Blue Angels fly over that provided a nice experience on a beautiful day for our residents while allowing us to socially distance.

This of course is a fluid situation and the Borough is in constant communication with County and State officials. As needed, we will be updating residents by [Borough website](#), [Twitter](#), and [Facebook](#) daily.

Sincerely,
Councilwoman
Maria Begg-Roberson
