

May 22nd, 2020

Hello. According to the Rutherford Health Department, as of 3:00 pm today, the total number of COVID-19 positive cases in Rutherford has risen to a total of 189. There has been one new case reported since last Friday.

The one resident with a positive result is 56 years old. The situation continues to be closely monitored by our Health Department. Our first responders continue to take all possible precautions when assisting our community.

I'm pleased to report that because Rutherford has been adherent to the new park policies, we will be opening Tryon Field tomorrow, Saturday, May 23rd. No organized sports or team activities will be permitted.

Unfortunately there will be no Memorial Day Parade this Monday. This solemn occasion will be observed at a private ceremony by members of Rutherford Veterans' Alliance, the Council and myself at a wreath laying ceremony Monday morning.

The updates from the Mayor and Council next week will be given on Tuesday and Friday, unless an urgent announcement is required. Thank you, Rutherford, for your cooperation throughout this pandemic.

This of course is a fluid situation and the Borough is in constant communication with County and State officials. As needed, we will be updating residents by [Borough website](#), [Twitter](#), and [Facebook](#) daily.

Please enjoy your long weekend. I wish you all a healthy and happy Memorial Day.

Sincerely,

Mayor Frank Nunziato
