Gratitude Workshop: Thursday, November 21, 2019

“In the face of demoralization, gratitude has the power to energize. In the face of brokenness, gratitude has the power to heal. In the face of despair, gratitude has the power to bring hope. In other words, gratitude can help us cope with hard times.” - Robert Emmons

This workshop will help foster gratitude and hope in children and adults coping with a cancer diagnosis. Discover new tools to build resilience, a skill most needed in bouncing back from stress.

WHO CAN ATTEND
