

The Rutherford Irish American Association will hold its annual St. Patrick's Day Parade on Sunday, March 3rd. Parade kicks off at 1pm at Woodland and Park Avenues, ending at Park and Ames Avenue. Please expect road closures and limited parking.

From the Desk of Mayor Frank Nunziato

This Sunday, the Rutherford Irish American Association will host its annual St. Patrick's Day parade. As in years past, there will be over 70 groups participating. A tremendous amount of work goes into any event, but one of this scale requires a lot of organization and skill, which the RIAA has always provided expertly.

By now you may have seen all the "no parking" signs posted along the parade route and side streets, which will be in effect beginning 9am Sunday. There will of course be road closures and I thank everyone for their patience when navigating the town on Sunday.

As in years past, the parade begins at 1pm at Woodland and Park and ends at Ames and Park, where a viewing stand will be set up for dignitaries.

I'd like to congratulate Joe Kelly who has been named this year's Grand Marshal, as well as Deputy Grand Marshal Brendan Dunphy. Other dignitaries at the parade will be the RIAA's Law Enforcement Officer of the Year, Rick Fuentes, EMT of the Year, Carmen Addeo, Firefighter of the Year William Rood and RIAA Member of the Year Karen McDermott.

It's looking like the luck of the Irish has once again blessed us with great weather on Sunday, so we should expect a crowded parade route. Most importantly, I hope everyone has a fun, safe time and enjoys all the festivities on Sunday!

Wishing you a happy, early St. Patrick's Day,
Sincerely,
Mayor Frank Nunziato
