

Borough Hall will be closed Thursday, July 4th in observance of Independence Day

From the Desk of Mayor Frank Nunziato

I'd like to thank our amazing Public Works employees for responding so efficiently to the storm that happened this past Saturday. Unfortunately, these storms may be happening with increasing frequency and we will all have to adapt to the changing weather patterns as they affect our Borough of Trees.

Additionally, after many years of working with Bergen County, we've finally arrived at a shared service agreement for a traffic light at the intersection Erie and Jackson Avenues.

On another note, earlier this week, Chief John Russo was honored by law enforcement officials from throughout the state in a ceremony in Atlantic City, naming him the President of the New Jersey State Association of Chiefs of Police. The Chief's Association is fortunate to have Chief Russo as their leader. Chief Russo - you have surpassed our expectations as Chief and have been an incredible asset to the RPD and Borough. As someone who also grew up in town, I know your heart has been with the Borough and that you will continue to maintain the same dedication to our community for the remainder of your career.

Hoping to see everyone at our many events that our Borough will soon get to enjoy!

- Mayor Frank Nunziato
