

Rutherford's Community/Quality of Life Committee is hosting a

RUTHERFORD CLUB FAIR!

Wednesday June 28th • 5-7 pm
Park Avenue and Franklin Place

Rain Date June 29th

**Stop by anytime
between 5-7pm!**

You're invited to spend an informal evening learning about Rutherford organizations and their upcoming events and getting to know your neighbors.

Please consider becoming more involved in our Rutherford community and strengthening its quality of life.

Are you part of a Rutherford Community Organization?

Sign up your organization to participate in this Rutherford community showcase.

Organizations are invited to bring tables to set-up and to display items or hand out flyers to promote their clubs. Clubs may wish to provide a sign-up sheet for interested attendees.

While many Rutherford organizations may not have budgets to promote their clubs, simply being there to speak with prospective members is what it's all about.

**Please contact Carolyn Smith,
Community/Quality of Life Council Liaison at
csmith@rutherford-nj.com
ASAP to reserve your spot!**

**The Community/Quality of Life Committee thanks the
Rutherford Summer Kick-Off/Cruisin' on the Avenue Committee
for welcoming the Club Fair as part of its larger event.**
