Specifications

Designed for **face perfect fit**

High breathability

Doble welding that guarantees the resistance of the cords up to 25 newtons

With cord stoppers for **size regulation**

Ear saver included

Individual packaging including:

- Reusable mask bag with ziplock
- Time tracker to accurately control of the maximum hours of use
- Name tag for the owner
- Ventilation system

Fitting instructions

1. Attach the size regulators to the mask straps as shown in the picture.
2. Hold the mask with one hand and place it on the face, fully covering the nose and mouth. The nose clip should be over the nose.
3. Pass the lower strap behind your head and place it on the nape of the neck. Adjust the cord stopper for perfect fit.
4. Pull the straps and place them behind the ears. Adjust with the size regulators for a better fit. Adjust the nose clip to the nose and make sure the edges of the mask are in direct contact with the face.
