Being an intermediate student, we all are under due pressure that how will we write the exams i.e the articulation, presentation, marking scheme, question patterns and most importantly tackling those 3 hours of exam-time. But thanks to

the CA Ravi Chhawchharia's Test Series which helped me build the four basic pillars for examination i.e. PACC... Presentation, Articulation, Consistency & Confidence. These according to me are the four basic pillars which I developed by going through the whole test series.
