Job Description

Selection Criteria

Welcome

Thank you for your interest in the post of Teacher at Iffley Academy.

Iffley Academy is a successful academy, and has grown in recent years with a current number on roll of 168 students. The Academy has a long and proud history, with a school on the current site in Iffley since the 1960s. Judged as Outstanding in 2015 and 2019, the Academy meets the needs of students with a range of SEND, including Cognition and Learning Needs, Autistic Spectrum Disorder and Social, Emotional and Mental Health Needs. Our learning community is based on respectful relationships with students, created through understanding of their special educational needs, commitment to restorative approaches, and by providing outstanding teaching and pastoral care. This is a warm and caring community, dedicated to equipping students with the skills and knowledge they need to live independent lives within their chosen communities.

We are seeking an inspirational and dynamic newly qualified teacher to join our experienced teaching team: a gifted practitioner who can meet the needs of this vibrant and diverse community.

In 2018 Iffley Academy was also designated as a Teaching School and requires enthusiastic teachers who can contribute to this new and exciting venture. This will include opportunities for experienced teachers to support other schools and early-career teachers, and to be involved in training across the county. In addition to this they may be involved in initial teacher training and mentoring staff in other special schools.

Iffley Academy is a member of The Gallery Trust, an expanding Special Needs Trust which is dedicated to improving outcomes for SEND learners in Oxfordshire. The Trust has a national reputation for excellence, and is influential in the development of SEND strategy in the county. With five academies currently in the Trust, and with two special schools currently converting to join our MAT, the Trust's aim is to build a community of six to eight special schools over the next ten years.

Thank you again for your interest and we look forward to hearing from you.

Tom Procter-Legg
Headteacher

Teacher
Iffley Academy, Oxford

Salary: TM/UPSS plus SEN allowance (SEN 1 moving to SEN 2)
Start date: September 2020

If you are committed to enriching and improving the lives of young people with Special Educational Needs and Disabilities, if you would like to join a team which delivers an exciting and diverse curriculum which is not driven by the National Curriculum or exam outcomes, and if you want to work in a vibrant and Outstanding Special Academy – we want to hear from you. We welcome applications from newly or recently qualified teachers.

The Iffley Academy is Oxfordshire's largest Special School, and caters for pupils aged 11-18 with a diverse range of SEN, including Moderate Cognition and Learning Needs, Autistic Spectrum Disorder and Social, Emotional and Mental Health needs. We have high expectations of our students, and are dedicated to removing the barriers to learning so students can achieve their full potential.

Students are taught through a differentiated and bespoke curriculum designed to enhance academic and social development, with a strong emphasis on independence skills. The curriculum delivers a thematic, cyclical approach to provide a meaningful and interesting context for the development of basic skills, knowledge and understanding while providing the relevant National Curriculum requirements. Classes are grouped into stage, not age, allowing for innovative and creative approaches to teaching and learning and are taught predominantly by one class teacher, supported by additional class adults. The Academy provides support for the social and emotional needs of students through a qualified and skilled therapeutic team, underpinned by a pastoral support team. The offer to students is enhanced by additional specialist therapies and interventions.

Our focus is to recruit teachers who are keen to grasp the possibilities offered by the Academy where practice is based on SEN pedagogy and evidence: who would relish getting involved in exciting national professional development projects, and who want to work as part of a multi-disciplinary and specialist team.

In return for your determination to make a difference to the lives of our learners, we can offer you the opportunity to work for an ambitious Multi Academy Trust. The Academy will move to new state of the art buildings in April 2020.

Our unique features include:

- A curriculum model which is designed around a cyclical thematic approach, rather than a subject led offer
- Individual learning pathways which teach the way our SEN students learn and moves away from the “one size fits all” approach.
- An ethos of Restorative Approaches, mutual respect, and social responsibility which creates an inclusive and nurturing community
- The teaching of functional skills for life and vocational options and the chance to support students in achieving accreditation which prepares them for the workplace.
- A flexible, innovative and student-centred approach, which supports not only excellent teaching and learning, but also the emotional and mental wellbeing of students and their individual needs.
