Dear parents and carers,

As part of the government's decision to close all schools from 23 March 2020 to help limit the spread of COVID-19 it was agreed that during the enforced period of closure children who receive Free School Meals (FSM) would still be able to access support.

We have been working towards providing support for these children. Parents and carers of children in receipt of FSM will receive Tesco e-vouchers to the value of £25.00 for each 10 days (2 schools weeks) their child is not in school. The vouchers will be sent every fortnight.

We are hoping to receive these vouchers into schools later today (Friday 27 March 2020) and will send out to eligible parents as quickly as possible. If you do not have an email address please let us know as soon as possible by calling Rick Willett on 07768050375.

Vouchers will be printed and posted to parents without access to email.

If you believe that your child may be entitled to FSM and are not in receipt of them currently please let us know.

I would like to thank you all for your patience while we have been putting appropriate arrangements in place.

Regards

Tom Procter-Legg
