

Participant Agenda

Lessons Learned from USAID New & Local Partnerships Event

January 25 • 8:00-9:00am eastern time

Purpose:

To gather key internal and external USAID stakeholders to learn about and discuss successes and challenges in how USAID has supported the implementation of its 2018 A&A Strategy in regards to expanding its partner base and partnering approaches.

Outcomes:

- Shared understanding of key learnings from cases on how USAID has diversified its partner base and evolved the way it partners.
- Shared understanding of how key partnership learnings are linked to localization, and diversity, equity, inclusion and accessibility (DEIA) efforts.
- Generate insights that can help shape the refreshed A&A Strategy in regards to engaging and working with a diverse group of partners and using a variety of partnering approaches.
