## 2. ACCESS TO CARD APPLICATION

- 2.1. Under These terms, we provide you with a non-exclusive, non-transferable right to use the Card Application for the purpose of accessing Card Services.
- 2.2. The provision and maintenance of your access to the Card Application and Card Services is conditional upon you having a Striga Account. However, you acknowledge and accept that having a Striga Account does not guarantee your eligibility for Card Services and that it is in the Card Provider's discretion to approve you as its customer for the issuance of the Payment Card and provisioning of respective Card Services.

- 2.3. We are legally not required to enter into an Agreement with you. We may decide not to provide you with access to the Card Application at our sole discretion without being required to give reasoning.
- 2.4. The Card Application is hosted by us and accessible through the Distributing Application. We make no warranties with respect to the service availability of the Distributing Application. You acknowledge and accept that access to the Card Application and certain Card Services may be interrupted or unavailable due to issues related to the Distributing Application, and we shall not be liable for any such interruptions or unavailability.
- 2.5. These Terms are not addressed to or intended for citizens or residents of the United States of America, persons located in the United States of America, or other US Persons (including US tax residents, people who stay in the United States of America for a period of time for academic or job/business related purposes, etc.). Under these Terms, we do not provide services to US Persons. You declare and warrant to us that you are not a US Person. Should you be identified as or become a US Person during the term of the Agreement, we have the right to terminate the Agreement immediately, and we shall not be held liable for any damage caused to you in connection with the termination of the Agreement. You are obliged to immediately notify us of any circumstances that may qualify you as a US Person

### **3. CARD APPLICATION ACCOUNT SETUP**

- 3.1. You can set up a single Card Application Account through a single Distributing Application. You may set up several Card Application Accounts through different Distributing Applications.
- 3.2. To set up your Card Application Account in the Card Application, you must set up two-factor authentication (2FA) with a supported authenticator application that is used to verify your identity upon using the Card Application and Card Services. Upon setup, you must follow the instructions in the Card Application.
- 3.3. You are responsible for always keeping your 2FA credentials secret and safe, and you must make every reasonable effort not to allow third parties to access the Card Application with your credentials. If a third party accesses the Card Application or Card Services with your credentials in circumstances beyond our reasonable control, you are solely liable for any potential losses or damages. You also acknowledge that the loss of your 2FA credentials may, in some circumstances, result in an irrevocable loss of access to the Card Application and Card Services.

### **4. USE OF CARD SERVICES**

- 4.1. In the Card Application, you can order a Payment Card, link your Payment Card to your Striga Account that you access through the Distributing Application, utilize Card Services, view your Card transaction history, and manage your Card(s).
- 4.2. Card Services are provided without the Distributor's involvement. The Distributor does not have access to your Card details and Card transaction history. All Card management functions are provided by Striga within the Card Application and cannot be exercised by the Distributor.
- 4.3. The Card Provider issues both physical and virtual Payment Cards. Physical Cards are available for ordering depending on availability and upon the Distributor choosing to enable this feature.
- 4.4. You acknowledge and agree that using the Payment Card for payments and ATM withdrawals is not possible within the countries, territories, regions, or jurisdictions listed in the Restrictions and Limitations. Transaction limits apply, as specified in the Restrictions and Limitations.

- 4.5. Upon the creation of a Payment Card, issued to you by the Card Provider, you must link your Payment Card with your chosen Virtual Asset in a Wallet issued by us. By linking your Payment Card to a specific Virtual Asset Wallet, you agree that the transactions made with the Payment Card will result in debiting the respective Virtual Asset Wallet based on the value of the Payment Card transaction in euro (EUR) as per Striga's generally broadcasted exchange rate at the time of the Payment Card transaction. Linking your Payment Card with your fiat currency associated with your Striga Account is not possible. An attempt to establish such a link shall be construed and processed as linking the Payment Card to your USDC (USD Coin) Wallet, initiating a standing order for the conversion of your fiat currency for USDC at the moment of each Payment Card transaction, with USDC being the asset deducted from your Wallet for transactions with such a Payment Card.
- 4.6. If you initiate a transaction with a Payment Card issued to you by the Card Provider, your transaction will be completed on the condition that the balance of the Virtual Asset Wallet linked to the Payment Card is sufficient to cover the amount of the Payment Card transaction and applicable fees. You acknowledge that at the time of such a transaction, the transaction is funded from our funds. Therefore, by authorizing your Payment Card transaction, you simultaneously authorize us to perform a set-off and debit the Virtual Asset Wallet linked to the Payment Card amounting to the value of the Payment Card transaction in euro (EUR) as per the applicable exchange rate, and we shall not be required to submit you a separate set-off notice.
- 4.7. You agree and accept that your Payment Card transaction will be declined if the balance of the Virtual Asset Wallet linked to the Payment Card is insufficient to cover the amount of the Payment Card transaction and applicable fees.

## **5. FEES**

- 5.1. We charge fees for enabling access to Card Services as laid down in the accompanying Fee Schedule. The Fee Schedule is accessible via the Card Application. The Fee Schedule varies depending on the Distributing Application used to access the Card Application and Card Services.
- 5.2. We may change the Fee Schedule by giving at least 14 days' notice. If you do not consent to the new Fee Schedule, you may close your Card Application Account. You are deemed to have consented to the new Fee Schedule if you continue to use the Card Application and Card Services after the notice period has expired.

## **6. YOUR OBLIGATIONS AND LIABILITY**

Additionally, you undertake to identify and follow the requirements of the laws applicable to you and/or in the jurisdiction from which you access the Card Application and Card Services.
- 6.2. You may not disguise or attempt to disguise your location through IP proxying or other methods.
- 6.3. You confirm and warrant that you pay all applicable taxes for any transactions. You agree and accept that we are not required to advise you in relation to the taxation of your transactions.
- 6.4. You are fully responsible for any mistakes, errors, or defects which may have been made by you in the course of accessing and using the Card Application and Card Services.
- 6.5. You may not interfere with or attempt to interfere with the normal operations and activities of the Card Application and introduce a software virus or other disruptive program or do any act which would cause the Card Application to become unavailable for use by others.

- 6.6. You must refrain from any actions that may cause monetary or reputational damage to us, our Distributors, and the Card Provider. You shall indemnify us and each of our directors, officers, employees, Distributors, the Card Provider, and other third parties against any losses or damages which may be suffered or incurred by us and/or any of them directly or indirectly in connection with or as a result of any services performed or action taken under the Agreement unless caused by the gross negligence, willful default or fraud of the person claiming the indemnity under this clause 6.6. We may deduct our claims against you from your Wallet and/or from fiat currency associated with your Striga Account.

- 7.2. We exercise reasonable care and endeavor to protect the Card Application and ensure its secure and stable operation. However, we do not warrant that the Card Application and the Card Services will be continuous, uninterrupted, timely, or free from errors, viruses, or other malware. We may perform scheduled and non-scheduled maintenance of our systems and update and improve them without giving notice to you. During maintenance, the Card Application and/or Card Services may be temporarily unavailable. We assume no liability for any damage that may result from downtimes or transmission of malware via the Card Application.

  - 7.4.3. us acting upon any instruction, notice, request, consent, or confirmation received by us and reasonably believed by us to be genuine and given by you;
  - 7.4.4. any decision taken by you in relation to your use of the Card Application and Card Services;
  - 7.4.5. any fraudulent activity (other than our own fraud), computer misuse, computer hacking, theft, or other dishonest appropriation;
  - 7.4.6. our inability to cancel or reverse a transaction;
  - 7.4.7. as a consequence of any delay, partial or non-performance of our obligations under the Terms caused by reasons beyond our reasonable control or an event of force majeure, including fires, strikes, floods, power outages or failures, acts of God or the state's enemies, pandemics or epidemics, acts of any government, a breakdown or failure of any electronic communications or computer-based system or network, market default, suspension, failure or closure, or the imposition or change (including a change of interpretation) of applicable law notwithstanding that you may have notified us of the same.
- 7.5. To the maximum extent permitted by any applicable law, we make no warranties of any kind, whether express or implied, in relation to the Card Application and Card Services, including but

not limited to implied warranties of satisfactory quality, functionality, fitness for a particular purpose, non-infringement, compatibility, security, accuracy, title, condition or completeness, merchantability, or any implied warranty arising from a course of dealing or usage or trade.

- 7.6. Nothing in this Agreement excludes our liability for:
  - 7.6.1. fraud or fraudulent misrepresentation;
  - 7.6.2. deliberate misconduct or gross negligence;
  - 7.6.3. death or personal injury caused by our negligence.
- 7.7. Nothing in this Agreement shall limit your guaranteed rights as a consumer under mandatory provisions of applicable consumer protection legislation.

## **8. INTELLECTUAL PROPERTY**

- 8.1. Intellectual property rights provided in connection with the Card Application and Card Services, including, without limitation, our logo and all designs, text, graphics, pictures, information, data, software, and other files and the selection and arrangement thereof are the intellectual property of Striga and/or licensed to Striga (hereinafter: **Striga's IP**).
- 8.2. Your use of the Services shall not be deemed as us transferring any intellectual property to you. You may use Striga's IP only to the extent reasonably necessary to use the Card Application and Card Services. It is prohibited to resell any of Striga's IP, distribute it or display it publicly; modify or otherwise make any derivative uses of Striga's IP; or use Striga's IP for any other purpose than explicitly allowed under these Terms.
