Guidelines on age limits for VR content usage

Entertainment XR Association Inc.

When children under the age of 13 are to use location-based VR content using a binocular stereoscope, obtain consent from a parent or guardian regarding the following precautions, and have the child use the VR content under that parent or guardian's responsibility.

[Precautions]

- Do not allow children under age 7 to use VR content.
- Do not allow children to use VR content that a parent or guardian considers inappropriate.
- For VR content usage time, have the child take a break of approximately 10 to 15 minutes after every 20 continuous minutes of use.
- Children with strabismus, diplopia, other vision abnormalities or ophthalmological diseases, or children currently seeing an ophthalmologist, should consult a specialist before use.
- If any abnormality is observed in the child's eyesight after use, promptly consult a specialist physician.

Precautions

1. About This Consent Form

One form is required for each child ages 7 to 12 who participates in this attraction.
A parent or legal guardian must review the contents and complete this form.

2. Participation

Due to the nature of the experience, the child may not participate alone. One guardian aged 18 or older must accompany each child.

3. Restrictions on Use of the XR Experience

The following persons may not participate in this attraction:

- Persons under age 7 or 110 cm or shorter in height
- Persons who are pregnant, have a heart condition or abnormal blood pressure, have a serious illness, or use a pacemaker or other medical device
- Persons with abnormalities of the neck, back, lower back, or spine
- Persons whose hearing or other disability makes it difficult to confirm safety guidance or staff instructions, and for whom safety cannot be ensured even with an accompanying person or other assistance
- Persons prone to motion sickness; persons who are drinking alcohol, under the influence of alcohol, or heavily intoxicated; or persons who are feeling unwell
- Persons with symptoms that may worsen through use, including dizziness, fear of heights, claustrophobia, respiratory disease, seizures, sensitivity to noise, fear of darkness, sensitive skin, or photosensitive seizures
- Persons whose physical or mental condition makes it difficult to follow safety rules or staff instructions, and for whom safety cannot be ensured even with an accompanying person or other assistance
- Any other persons for whom it is difficult to ensure safety during the experience

4. Other

Participants who are required to submit this Consent Form may not participate if they do not bring it at the time of the attraction experience.
Detailed precautions and content information are provided on the official website. Please review them before participating.

Liability Waiver

Staff may touch participants when necessary to put on or remove dedicated equipment, or when deemed necessary for safety. Please note this in advance. Participants who do not follow safety rules or staff instructions may be refused participation or have the experience ended early. Due to communication conditions or other reasons, photo taking or photo downloads during the XR experience may not be available.

Some content within the XR experience may not be available.

The attraction operator assumes no responsibility for injury, accidents, damage to glasses or other accessories, disputes, theft, or any other loss or damage occurring during use of this XR experience, except where such loss or damage is attributable to Gugenka Inc., the operator of this attraction.

Having understood and agreed to all of the above,

I consent to my child participating in the XR experience for Cinnamoroll's Fluffy & Cozy Sky Tea Party .
