

Preposições de tempo

Class Objective: I will be able to use prepositions in Portuguese.

Concept A: What is a preposition?

- A preposition links nouns, pronouns and phrases to other words in a sentence.
- A preposition usually indicates the temporal, spatial or logical relationship of its object to the rest of the sentence as in the example in the table below.
- Most prepositions would begin with the link word 'em' and after the preposition would follow 'de'.
- These help put the preposition words into context and help the flow of sentences in Portuguese.
