Concept C: **Uses of past continuous tense**

1. **Interrupted action in the past :** Use the past continuous to indicate that a longer action in the past was interrupted. The interruption is usually a shorter action in the simple past. Remember this can be a real interruption or just an interruption in time.

   Eg: He **was completing** his homework when she called.
   Jab usne phone kiya tha tab vah uskaapna homework **pura kar raha tha** .
   जब उसने फ़ोन किया था तब वह अपना होमवर्क पूरा कर रहा था।

2. **Parallel actions :** When you use the past continuous with two actions in the same sentence, it expresses the idea that both actions were happening at the same time. The actions are parallel.

   Eg: While I **was eating** an apple he **was chopping** vegetables.
   jab mainseb **khaa raha tha/ rahi thi** tab vah sabjiyan **kaat raha tha**.
   जब मैं सेब खा रहा था/रही थीं तब वह सब्जियाँ काट रहा था।
