

Class objective: I will be able to talk about the topic confidently.

Concept A: What is Public speaking?

- Public speaking is giving a speech or speaking to a live audience or a group of people in an organized way.
- It is a way of oration delivered face-to-face by an individual to a group of people.
- The objectives of public speaking can be diverse:
 - To entertain,
 - To educate,
 - To inspire or motivate the listeners.
- A public speaking presentation is different from an online presentation because the online presentation may be viewed and/or listened to at the viewer's convenience, while a public speech is typically limited to a specific time or place.

Concept B: Importance of Public speaking?

Public speaking can also have benefits outside the realm of delivering speeches to groups of people.

1. It enhances Confidence:

In everyday life also, Public speaking can give you a significant confidence boost. Knowing that you can make your case clearly and succinctly can help you to feel much more self-assured and ready to face new challenges as they arise.
