VERB

Class Objective

To discuss the German's Verb
Conjugation of 'To be' and
implement it in the Sentences.

VERB

A verb is a word, which shows action or position or being. The original form of a verb is called the “infinitive form”. This infinitive form is conjugated according to the subject of the sentence and is called conjugated depending upon the number and person. In some languages, gender also plays a role in conjugation, but not in German. In German, all the verbs, except a few, end with –en.
