At this moment, the man pushed the woman behind him and jumped into the lifeboat himself. The lady stood on the sinking ship and shouted one sentence to her husband.

The teacher stopped and asked, "What do you think she shouted?"

Most of the students excitedly answer, "I hate you. I was blind."

Now the teacher noticed a boy silent throughout, she got him to answer, and he replied, "Teacher I believe, she would have shouted, " Take care of our child."

The teacher was surprised, asking, "Have you heard this story before?"

The boy shook his head and said, "But that is what my mom said to dad before she died of disease."

The teacher lamented, "The answer is right."

The cruise sank. The man went home and brought up their daughter single-handedly.

Many years later after the death of the man, The daughter happened to read the diary of her father.
