

Nouns- Gender, plural

Class Objective

II should be able to use the nouns in my speech and also identify the gender of the nouns and the plural forms

Concept A: What are nouns?

- Nouns in German are similar to nouns in English. But the nouns in German should always start with a capital letter. Example: Katze (cat), Mann (Man), Lehrerin (Female teacher) etc.
- Even if the nouns are in the middle of a sentence, they should be written with a capital letter in the beginning
- Nouns in German have a peculiar feature: They are addressed with articles like der, die, das, dem, den, des etc

Some nouns for practise:

- **Das Jahr** (pronounced as Yahr) → Year
- **Das Beispiel** → Example
- **Das Haus** → house
- **Der Tag** → Day
- **Die Monate** → Month
- **Die Arbeit** → Work
- **Das Hand** → hand

Concept B: Gender of the nouns

The Nouns in German language as explained in concept A is addressed with the articles.

These articles indicate the gender of the nouns.

Der : Shows that the noun is Masculine gender

Die : Shows that the noun is Feminine gender

Das : shows that the noun is Neuter gender

Example:

Der Tag indicates that Tag is masculine gender

Die Arbeit indicates that Arbeit is feminine gender

Das Beispiel indicates that it is neuter gender

Concept C: Plural indicates the counting of objects more than one. It is indicated by the article “Die”

- In German, we have singular and plural

- Singular is used for indicating any singular object

Example:

Der Tisch (Table) here is masculine gender and is singular

The plural of Tisch is die Tische (Tables). Here the plural is indicated by

the article “die”

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the main findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the study's limitations?**

7. **What are the study's conclusions?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the main findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the main findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the study's limitations?**

7. **What are the study's conclusions?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the main findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the study's limitations?**

7. **What are the study's conclusions?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the main findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the study's limitations?**

7. **What are the study's conclusions?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**

1. **What is the primary purpose of the study?**

2. **What are the key variables being studied?**

3. **What is the study's methodology?**

4. **What are the main findings of the study?**

5. **What are the implications of the study's findings?**

6. **What are the limitations of the study?**

7. **What are the conclusions of the study?**
