### **Anécdota:**

En uno de mis múltiples puntazos que me dan, decidí apuntarme a una excursión en bicicleta por las Salinas de Maras en el Valle Sagrado (Perú). Para ponerlos en antecedentes: el deporte y yo no nos llevamos bien, digamos que mi actividad deportiva se limita a ir al gimnasio como máximo un mes y medio al año y a jugar al Wii Sports en casa, así que imagináros!!!!

En la primera cuesta ya estaba que no podía con mi alma y para postre el camino estaba todo empedrado y peligroso así que ni corta ni perezosa agarré la bicicleta a cuestas y en la primera carretera que vi paré a una furgoneta que iba atestada de gente y animalitos, endiñé la bici en la baca y me quedé esperando en el pueblo tumbada a la bartola hasta que el resto de la expedición aparecieron hechos polvo, eso sí, no me libré de las agujetas ya que al día siguiente tenía los brazos que no los podía ni mover!!!!

### **Translation:**

In one of my multiple points that they gave me, I decided to join a bike tour through the Salinas de Maras in the Sacred Valley (Peru). To put you in the background: sport and I do not get along, let's say that my sports activity is limited to going to the gym for a maximum of a month and a half a year and playing Wii Sports at home, so imagine!

On the first slope I was already unable to with my soul and for dessert the road was all paved and dangerous so neither short nor lazy I grabbed the bike on my back and on the first road I saw I stopped a van that was packed with people and little animals, I put my bike on the roof rack and waited in the town lying down until the rest of the expedition turned up in dust, yes, I did not get rid of the shoelaces since the next day my arms were not could not even move !!!!
