Interrogative Artikel und Pronomen 1

Class Objective

I will be able to understand
Interrogative Pronoun and Article
in German.

Concept A : Interrogative Pronoun *wer, wen, wem, wessen* and *was*

Interrogative pronouns are also called the *question words*. The interrogative pronouns which are used in German grammar are ***wer, was, wem, wen, and wessen***. Generally, we use interrogative pronouns to replace the noun or pronoun that we are asking after in questions.

➤ WER - It is used to ask after people in the **nominative case**.

Example:

Wer hat die Hausaufgabe gemacht?

Concept A : Interrogative Pronoun wer, wen , wem , wessen and was

- WEN - It is used to ask after people in the **accusative case**.

Example:

Wen besuchen wir?

- WEM - It is used to ask after people in the **dative case**.

Example:

Wem hast du das Geschenk gegeben?

Concept A : Interrogative Pronoun wer, wen , wem , wessen and was

- WESSEN - It is used to ask after people in the **genitive case**.

Example:

Wessen Tasche ist das?

- Was - It is used to ask after **things** in all of the **German cases**.

Example:

Was machst du heute ?

Was haben Sie gestern gegessen ?

Concept B : Fragepronomen Welch

The Interrogative Pronoun Welch is used when you are asking after something specific/particular. Hence, welch is declined.

Kasus	Maskulin	Feminin	Neutral	Plural
Nom.	welcher	welche	welches	welche
Akk.	welchen	welche	welches	welche
