

Multibhashi

Past Tense (Passé composé)

Multibhashi

Class Objective

To learn how to use past tense in
French

Concept A: French past tense and their corresponding English past tense.

There are five past tenses in French:

1. Passé simple - Simple past - used only in literature
2. Passé compose- Compound past - used most frequently to describe completed actions of the past
3. Imparfait - Imperfect - used to describe actions that were continuing in the past, also used to describe weather, places, people, in past narratives

Concept A: French past tense and their corresponding English past tense.

There are five past tenses in French:

4. Plus Que Parfait - Past Perfect - used to describe action that happened in the past when another action took place

5. Passé récent - used to describe an action that have been completed recently

Concept A: French past tense and their corresponding English past tense.

This lesson mainly concentrates on Passé composé.

The following table describes which French tense correspond to a specific English past tenses:

English Tense	English Example	French Tense	French Example
Simple Past	I ate.	Passé composé	J'ai mangé.
	The weather was beautiful. I used to live in Paris.	Imparfait	Il faisait beau. J'habitais à Paris.

Concept A: French past tense and their corresponding English past tense.

English Tense	English Example	French Tense	French Example
Simple Past	I just ate. (I just finished eating)	Passé récent	Je viens de manger.
Past Continuous	I was eating when he came.	Imparfait	Je mangeais quand il est venu.
