Commonly used conjunctions

Class Objective:

I will be able to understand and use the commonly used conjunctions in English.

Concept A: Introduction

Observe the following sentences:

- That boy is cute handsome.
- He is lazy he completes his work.
- I want cakes I bought it from a bakery.

Guess what is missing?

Yes, without conjunctions the sentences do not make sense.

A conjunction is nothing but the linking word that connects two or more sentences or ideas.

- That boy is cute **and** handsome.
- He is lazy **but** he completes his work.
- I want cakes, **so** I bought it from a bakery.

Concept B: Basic/commonly used conjunctions

The most commonly used coordinating conjunctions are:

- **F**or
- **A**nd
- **N**or
- **B**ut
- **O**r
- **Y**et
- **S**o

The other conjunctions:

- that
- as
- if
- when
- than
- because
- while
- where

Multibhashi

Date: February 3 | 4:00-5:00pm

Present: Brandon (driver), Jasmine (navigator), Collin (reviewer)

Agenda

1. Discuss milestone goals
2. Implement testing
3. Discuss deliverables

Minutes

1. We confirmed the milestone requirements on the google doc. Focus this development on testing, unit testing, and basic deliverables.
2. Brandon, Jasmine, and Collin did pair programming and navigated who was the main editor for the implementation of testing. We used a combination screen and in-person coding this time.
3. We all learned about how we could implement deliverables and their outlines.

Next Action Items

1. Prepare for the coding tomorrow by reviewing calls about testing and also to implement/log and compiling.

Meeting #3

Date: February 4 | 8:00-9:00pm

Present: Brandon (driver), Jasmine (navigator), Collin (reviewer)

Agenda

1. Complete testing and unit compiling
2. Create deliverables
3. Milestone report

Minutes

Date: February 3 | 4:00-5:00pm

Present: Brandon (driver), Jasmine (navigator), Collin (reviewer)

Agenda

1. Discuss milestone goals
2. Implement testing
3. Discuss deliverables
