## Review 8

# Class Objective

To recap the lessons learnt last week - Describing French Geography, Social Security, Describing a Region, Government System in France, Educational System in France, Describing a Monument

## Concept A: Describing French Geography

On appelle la France L'Hexagone à cause de sa forme.

(France is called The Hexagon because of its shape.)

La France est le troisième plus grand pays d'Europe avec une superficie totale de 675 417 km sq.

(France is the third biggest country in Europe with a surface area of 675 417 km sq.)

## Concept A: Describing French Geography

Ses pays voisins sont L'Angleterre au nord (séparé par la Manche), la Belgique et le Luxembourg au Nord-est, L'Allemagne et la Suisse à l'est, l'Italie au sud-est et l'Espagne au sud-ouest.

(Its neighbouring countries are England in the north, Belgium and Luxembourg in the north-east, Germany and Switzerland in the east, Italy in the south-east and Spain in the south-west.)

## Concept A: Describing French Geography

- **Ses frontières sont formées par la Manche et la mer du nord au nord, les Vosges, le Jura et les Alpes à l'est, la mer Méditerranée au sud, les Pyrénées au sud-ouest et l'océan Atlantique à l'ouest.**
- (Its borders are formed by the English Channel and the northern sea in the North, the Vosges, Jura and Alps in the east, the Mediterranean Sea in the south, Pyrenees in the south-west and the Atlantic Ocean in the west.)

## Concept A: Describing French Geography

Il y a un grand nombres de rivières en France. Les plus importants sont la Seine, la Loire, la Garonne, le Rhône et le Rhin.

(There are many rivers in France. The most important are Seine, Loire, Garonne, Rhone and Rhine.)

France a également beaucoup de chaînes de montagne. Ce sont Les

Vosges, le Jura, les Pyrénées, les Alpes, et le Massif Central.

(France also has many mountain ranges. They are Vosges, Jura, Pyrénées,

Alpes, and Massive Central.)

the first time in the history of the world, the  
whole of the human race has been gathered  
together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

the first time in the history of the world, the  
whole of the human race has been gathered  
together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

the first time in the history of the world, the  
whole of the human race has been gathered  
together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

the first time in the history of the world, the  
whole of the human race has been gathered  
together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

the first time in the history of the world, the  
whole of the human race has been gathered  
together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

the first time in the history of the world, the  
whole of the human race has been gathered  
together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

that all the people of the earth have been  
gathered together in one place.

the first time in the history of the world, the  
whole of the human race has been gathered  
together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.

It is the first time in the history of the world,  
that all the people of the earth have been  
gathered together in one place.
