

la mise en relief

Objective: We will learn how to use Ce que (vs ce qui) = what, which

CONCEPT A: how to use Ce que (vs ce qui) = what, which

Je fais ce que je veux.

I do what I want.

Lise pense à ce qu'il lui a dit.

Lise thinks about what he told her.

Tu ne devineras jamais ce que Paul a fait!

You will never guess what Paul did!

Il croit ce que la télé lui raconte.

He believes what the TV tells him.

CONCEPT B: How to know when to use ce que instead of ce qui in French

The pattern to spot is that we use ce que when the next word is a subject pronoun (je/tu/il etc.) or a noun.

Note that ce que becomes ce qu' in front of a vowel or a mute h.

Contrast this with ce qui - notice the words immediately following:

Il a gagné la course, ce qui est impressionnant.

He won the race, which is amazing.

Je ne sais pas ce qui m'arrive.
