

Describe your favourite work/study atmosphere

## **Conversation      Advanced      Describe      your      favourite      work/study atmosphere**

**Class objective: I am able to converse on the above topic.**

### **Concept A: Introduction**

An ideal study or work atmosphere must be calm, comfortable and productive. The room must be suitable so that they are able to focus and achieve their goals and ambitions. It must be free from distractions.

### **Concept B - Vocabulary**

- Distractions- an object that directs one's attention away from something else
- Clutter- untidy collection of things.
- Hard-working-constantly, regularly, or habitually engaged in earnest and energetic work
- Time-management- the ability to use one's time effectively or productively, especially at work.
- Proactive-taking charge
- Persistence- determination
- Discipline- being in control
- Upgrade- update with current skills
- Organized- structured in a systematic way.

### **Concept C: List of things for having suitable work/study atmosphere**

- A comfortable room or corner for a study/workplace
- Good natural lighting
- Good ventilation
- Proper furniture- table, chairs, desk, drawers etc
- Not too much sound around- no music, phones
- Decor, clock, fresh plants, trays, laptops, books, study materials, stationery, organisers, vision board, planners
- No clutter
