

Multibhashi

Definite and Indefinite articles

Class Objective

To understand the usage of articles
in Español.

Concept A: An article is a word which is used in front of a noun. In Espanol, these articles follow the gender of the noun.

There are two types of articles:

1. Definite article (The)- This article is used to identify a particular thing or person.
2. Indefinite article (A and an)- This article is used to refer to an unspecified thing.

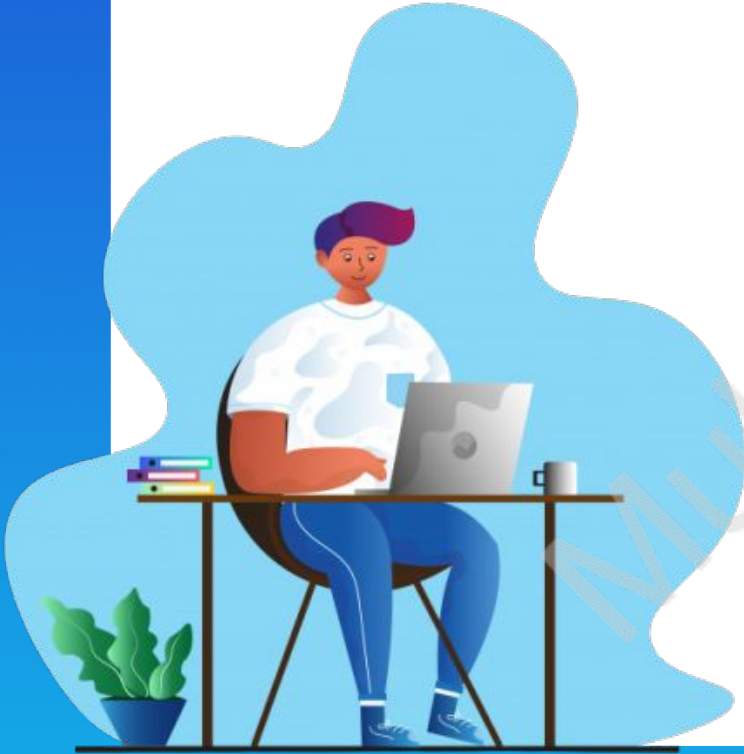

Concept B: There are 4 types of definite articles in Español. These articles correspond to the gender and singular/plural of the noun they are used with.

Masculine singular article	El (the)
Masculine plural article	Los (the)
Feminine singular article	La (the)
Feminine plural article	Las (the)

Concept C: There are 4 types of indefinite articles in Español. These articles correspond to the gender and singular/plural of the noun they are used with.

Masculine singular noun	Un (a)
Masculine plural noun	Unos (some)
Feminine singular noun	Una (a)
Feminine plural noun	Unas (some)

Practice Time!

Let's check how much we have
learnt in today's class
