PREPOSITIONS

Class Objective

To make students know about prepositions in Spanish, uses of different types of prepositions in daily routine

CONCEPT A: Understanding the use of prepositions.

- Prepositions are used to indicate a relationship between two words or
- phrases, linking them together. They are often used to indicate
- relationships of location, direction, or time.
-

Prepositions are used to tell the position of a person or thing.

Spanish	English	Spanish	English
