Concept A: Personal pronomen

Personal Pronouns replace nouns that have already been mentioned. In German grammar, personal pronouns are declined depending on the case they are in. We use personal pronouns to talk about ourselves and to address other people.

Personal pronouns in nominative accusative and dative

Nominativ	Akkusativ	Dativ
ich	mich	mir
du	dich	dir
er	ihn	ihm

Concept A: Personal pronomen

sie	sie	ihr
es	es	ihm
wir	uns	uns
ihr	euch	euch
Sie/sie	sie	ihnen

Concept B: What are reflexive verbs?

- Reflexive verbs are verbs that take a reflexive pronoun, they are preceded by
- sich in the infinitive e.g sich ausziehen (to undress oneself). We use reflexive
- verbs in German when the subject and object of a verb are the same. In
- general, reflexive verbs are more common in German grammar than they
- are in English grammar.

Concept B: What are reflexive verbs?

ich	mich
du	dich
er/sie/es	sich
wir	uns
ihr	euch
sie	sich
