

Multibhashi

Le présent - Present tense

Class Objective

To be able to form and use sentences in present tense competently.

Concept A: What is Le présent tense?

As the name suggests, Le présent tells us about the present. It is most widely used tense in French.

Concept B: When is it used?

It can be used to describe the following:

- Daily activity:

Je vais au marché à 16 heures- I go to market at 16:00.

- Situations in present:

Je mange de la glace - I eat an icecream

Concept B: When is it used?

It can be used to describe the following:

- Universal truths:

Le soleil se levé a l'Est - The sun rises in the East

- Actions that began in past but are still continuing:

Marie parle à son copine depuis 2 heures - Marie has been talking to her friend since last 2 hours

Concept B: When is it used?

It can be used to describe the following:

- A planned future action (with a time indicator)

mardi prochain, Le maire visite le musée - Next Tuesday,
The mayor visits the museum.

Note: French has only one category of present tense unlike English where we have present-simple, continuous, perfect, perfect continuous.
