

Indefinite articles

Class Objective:

I will be able to learn the usage of indefinite articles in Dutch.

Concept A: Introduction

Definite article

- A singular noun is either a de-woord (de universiteit) or a het-woord (het theater).
- De-woorden are male or female and het-woorden are neuter.
- Diminutives are always het-woorden (het huisje).
- Plural nouns are always de-woorden. So it is de universiteiten, de theaters and de huisjes, regardless the singular form.

Indefinite article

- The indefinite article of every singular noun is een.
- So it is een universiteit, een theater and een huisje.
- The plural has no indefinite article.

	Masculine	Feminine	Neuter
