Nebensatz und Hauptsatz

Class Objective

To understand what is Nebensatz
und Hauptsatz.

Concept A: What is Nebensatz und Hauptsatz?

Nebensatz is the subordinating sentence which tries to join the sentence.

It is little different from English subordinate sentences as in Nebensatz in German language, the verb comes at the end.

Hauptsatz is the main sentence where the verb will always take the 2nd position

Concept A: What is Nebensatz und Hauptsatz?

Basically, Common subordinate clauses (Nebensatz) are the most used subordinate clauses and have the following characteristics:

- They have a common subordinate conjunction
- The conjugated verb is placed at the end of a the clause

Concept A: What is Nebensatz und Hauptsatz?

Subordinate Conjunctions		
als	obwohl	wVhrend
