

Asking Simple Questions

Class Objective:

I will be able to ask simple questions in Dutch.

Concept A: Question words

who	wie
where	waar
what	wat
where to	waar... naartoe
why	waarom
where from	waar... vandaan
when	wanneer
which	welk / welke
how	hoe
isn't it?	niet waar?

Concept B: Forming questions

Verb + subject + rest + rest of verbs

To form a question with a question word (who, what, when, where, etc) the question word comes first, followed by the conjugated verb and the subject takes the third position.

Wat wil je vanavond doen?
What would you like to do tonight?

Waar woont u?
Where do you live?

To form Yes/no questions, the conjugated verb takes the first position and is then followed by the subject.

Heeft u een hond?
