

20 objects word game

Class objective:

I am able to understand and recall as many words as possible with the help of this activity.

Concept A : About the game

This game is about 20 words that are introduced to the participants and they have to analyze and keep in mind as many words as possible in the given time limit. This game is a great activity for improving memory and brainstorming.

Concept B : Instructions

- 20 words are introduced to the participants.
- They will be given 1 minute to go through all the words.
- After 1 minute the participants will have to speak out all the words that they can recall.

Concept C : Rules

- Only a minute will be given to analyze the words.
- After recalling the words one will have to state its meaning.
- One minute will be given to state the meaning of each word.
- After stating the meaning one will have to use it in a sentence of it's own.
