

Beginner 3 - Sentence making grid

Class Objective: You will be able to understand and make sentences.

Concept A: Basic sentence construction:

Basic sentence patterns:

- SV (Subject + Verb)
- SVO (Subject + Verb + Object)
- SVIODO (Subject + Verb + Indirect Object + Direct Object)
- SVC (Subject + Verb + Complement)
- SVOC (Subject + Verb + Object + Complement)

Things to remember:

Subject S - The doer of the action.

Verb V - The action term.

Object O - Answers the question. What? – Direct Object

Whom? – Indirect Object Complement C - Completes the meaning of the sentence.

Adjunct A - Answers to the questions - How? When?, Where?

Concept B: What is a sentence making grid?

- A sentence building grid is a teaching aid that allows learners to construct sentences by choosing parts of sentences and putting them together to form various sentences.
- A sentence grid is a chart arranged in columns.
- Each column contains words that are a specific part of a sentence, such as articles
subjects
objects,
or verbs

Concept C: Rules for framing sentences using the sentence making grid.

Follow these steps to use a sentence building grid:

- Make the learner choose any one word from each column so that, when the words are put together in order, they form a sentence that makes sense.
