**Concept A- A basic overview of present continuous in Arabic language so go through it carefully.**

- A present continuous refers to an ongoing action and which is not finished.
- We know simple present tense very well and know how to conjugate it so now in order to make present continuous the only thing we should do that is to put " ل " with " Fatha" before the conjugation of Simple Present Tense as below :

يذهب + ل + ليذهب ( Layazhabu )

**A conjugation with infinitive " الضحك "**
