

Advanced 3- Interview a cricketer

Class Objective: I will be able to understand how to interview a cricketer.

Concept A: Introduction

Cricket is a game played with a bat and a ball with two teams consisting of 11 players each. It is played on a large field, with wickets defended by the batsmen at the centre and the fielders around. India's teams is known as Team India and Men in Blue and is governed by the Board of Control for Cricket in India (BCCI). The famous cricketers to name a few are Virat Kohli, Sachin Tendulkar, Rahul Dravid.

Concept B: Expressions

- Tell me about yourself.
- Why did you choose this particular sport?
- What are the skills we need to have to become a successful sportsman?
- How do you handle pressure?
- How do you manage personal life?
- When do you exercise?
- What special health care do you take to when you travel abroad for matches?
- How do you manage the team?
- Which do you enjoy more batting or bowling?
- How do you interact with teams from other countries?
- How do you manage back to back tournaments?
- What food do you eat and manage diet?
- Who has inspired you to take up cricket?
- What are the various awards you have received?

Role Play A: Small conversations.

Anil: Good afternoon Sir, How are you doing? Thanks for giving me time.

Should we start the interview?

Cricketer: Good afternoon Anil. Yes Sure. You have ½ hour to go.

Anil: Congratulations on receiving the championship award for this tournament. Hats Off to your efforts and the way you lead the team to win the tournament.

Cricketer: thanks so much! Yes It was a great team and everyone played really well.

Anil: What were the reactions of your family when you won this award?
