Future Tense mit werden

Class Objective

I will be able to understand and use Future Tense mit werden.

● **Remember:** You can use a present tense in German to talk about something that will happen or be true in the future, just as in English.

● The future tense is formed from the present tense of werden and the infinitive of the main verb.

Concept A : The verb *Werden*

If you have already been learning German for a while, you probably noticed the verb *werden* appearing everywhere. It's because this verb has many different meanings and functions.

It is also an important part of building tenses. It can be used as Vollverb(main verb) , for building the future and passive tense in German.

Concept B : *Werden* in future tense.

While forming the *Futur I* in German, you will use the verb *werden* in the present tense plus the infinitive form of another verb.

Pronoun	verb	Meaning
ich	<i>werde</i>	I will
du	<i>wirst</i>	you will
er	<i>wird</i>	he will

Concept B : *Werden* in future tense.

sie	<i>wird</i>	she will
es	<i>wird</i>	it will
wir	<i>werden</i>	we will
ihr	<i>werdet</i>	You all will
sie	<i>werden</i>	they will
Sie	<i>werden</i>	you will. (Singular form, formal)
