

# ETTU Development Camps 2027

## HOSTING CONDITIONS AND APPLICATION PROCESS

### HOW TO APPLY

1. Read this document and decide which camp you would like to host.
2. Complete the application form (Excel). Use **one form per camp** if you apply for more than one.
3. Send the form to **projects@ettu.org** before Monday 5th October 2026.
4. ETTU may contact you for additional information or a video call.

### WHO CAN APPLY AND HOW HOSTS ARE CHOSEN

- All **Member Associations** may apply, as well as all **Training Centres that are part of the Network of European Training Centres**.
- Applications are judged on the quality of the application: training conditions, accommodation, cost, travel access and previous experience.
- Dates must not clash with Europe Youth Series events. Avoiding clashes with WTT Youth events in Europe is preferable.
- If you plan to host the camp alongside a Europe Youth Series event, please say so in the form.
- Organisers who have hosted camps in the past 3 years don't need to fill out the application form again unless conditions have changed significantly.

### WHAT EACH SIDE PROVIDES

| ETTU provides                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | The host provides                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

\*Depending on the conditions, the Continental Hopes Camp may be merged with a Selection Camp.

### THE PARA TT CAMP

The Para TT Camp is hosted once a year. A host for this camp must be able to offer a fully accessible venue and accessible accommodation, and must complete the accessibility section of the application form. Detailed conditions are to be agreed between ETTU and the Host.

The expected size is around 15 to 25 players and 10 to 15 coaches.
