

Directions for Prep & Play

Materials

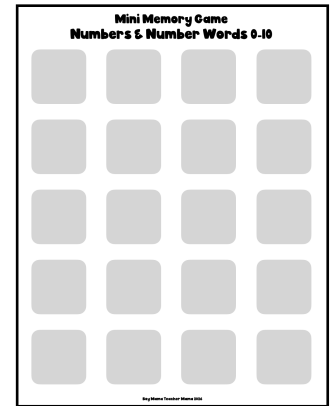

Game board, game cards, scissors, and two different colored crayons or markers.

Players

1-4 players

Preparation

Print one game board and one set of cards for each group.

Before cutting apart the cards, color the backs of the **number cards** one color and the **number word cards** another. This helps students choose one word and one number card on each turn, making the game run more smoothly.

Have students cut apart the cards and place them face down on the game board.

Numbers & Number Words

one	two	three	four
five	six	seven	eight
nine	ten	zero	
0	1	2	3
4	5	6	7
8	9	10	

Teacher Tip: Having students color and cut the cards is part of the activity and saves valuable teacher prep time!

Playing the Game

Players take turns turning over two cards.

If the cards match, the player (or team) keeps the pair. If they do not match, turn both cards face down and continue play. The game ends when all pairs have been collected.

Extra Challenge

The board holds 20 cards (10 matching pairs) at a time. If your set includes additional cards, set the extras aside and replace matched pairs as the game progresses.

For an extra challenge, mix **numbers 0-10** and **11-20** cards together. Just be sure there are always **10 number cards** and **10 matching number word cards** on the board.

Color the BACK before cutting!

Numbers & Number Words

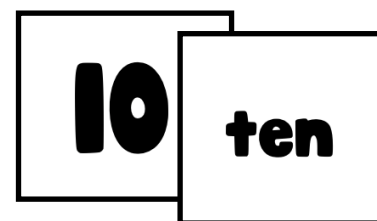

one	two	three	four
five	six	seven	eight
nine	ten	zero	

0	1	2	3
4	5	6	7
8	9	10	

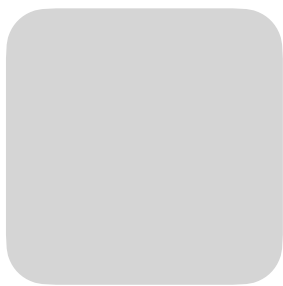

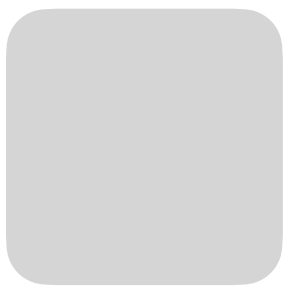

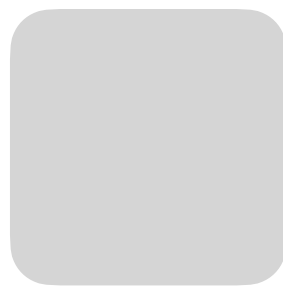

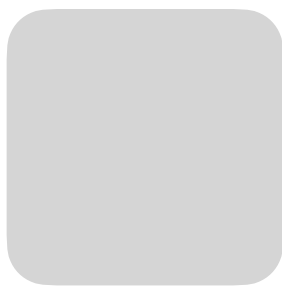

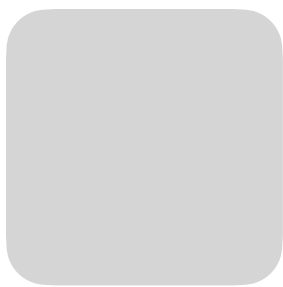

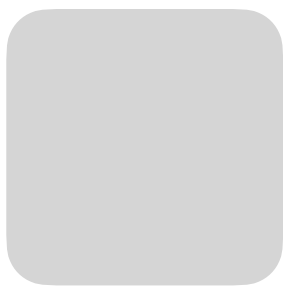

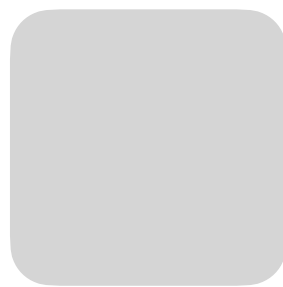

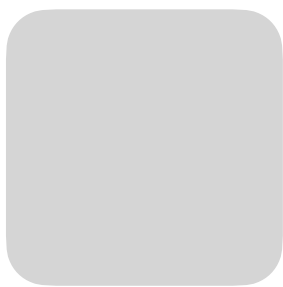

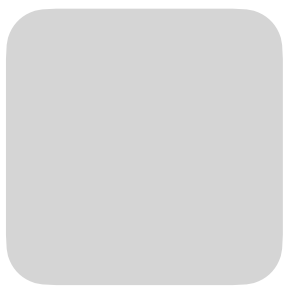

Cut and Play!
