The #1 Source for Auto Lift Power Units!

BH-7006-01 Series - Single Phase
SPX Stone Power Unit

SPX STONE™ SPX Stone power units are a compact hydraulic power source utilizing an electric motor with the capability to generate high pressure ratings. The units are built specially for SVI and the industry it serves to provide a wide range of customer-specified pressure relief valve settings. The ability to properly select the required pressure relief allows industry professionals to confidently match the right power unit to the application. SVI performs this service routinely every day to ensure power units are shipped on a same-day basis with the correct pressure relief setting required for the job.

208-230 VAC, 2HP, 1PH, 3450 RPM Motor
4.0 Gallon Reservoir

- **Frame:** 56 FR
- **Max Amps:** 230 VAC 18
- **Pump:** 2.3 GPM@2200 PSI*
- **Maximum Run Time:** 75 Seconds
- **Pressure / Return Port Size:** 9/16" SAE
- **Auxiliary Return Port:** 3/8" NPT

BH-7226-57-99 - Arm Restraint Retro Kit

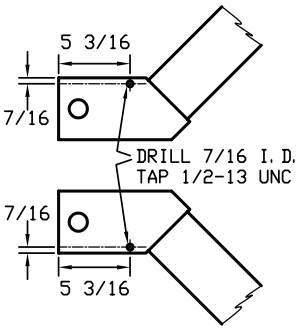

8" Link Weldment Installation

Carriage Crossarm - Bottom

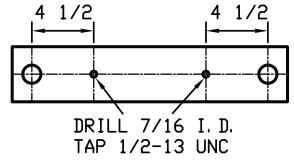

Straight Arm - Bottom

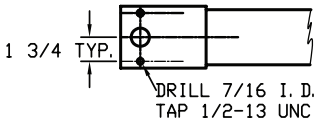

Asymmetrical Arms - Bottom

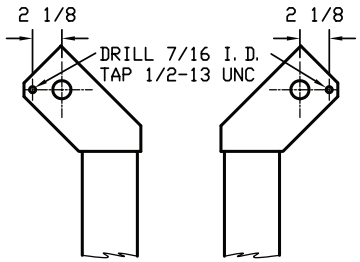

6-1/2" Link Weldment Installation

Carriage Crossarm - Bottom

Straight Arm - Bottom

Asymmetrical Arms - Bottom

INSTALLATION PROCEDURE

1. Fasten Insert BH-7226-58B to carriage crossarm using bolt F-SC-0500-13-1500. Tighten until snug then back off 1/8 turn of a turn. Insure that insert is free to swivel.

2. Insert spring BH-7226-59 into sleeve BH-7226-58 and push assembly over insert BH-7226-58B. While holding assembly together insert link BH-7226-58A or BH-7226-71 through complete assembly.

3. Rotate entire assembly until the link eye and tapped hole in the bottom pin plate are aligned. Fasten link BH-7226-58A to pin plate using bolt F-SC-0500-13-1500. Tighten until snug, then back off 1/8 of a turn.

4. Adjust bolt F-HC-0500-13-0750 for proper disengagement when lift is lowered completely.

RETRO FIT PROCEDURE

Drill and tap bottom side of carriage crossarm as described above.

Drill and tap bottom pin plate of straight arms as described above.

Drill and tap bottom pin plate of asymmetrical arms as described above.

DIRECTFIT™

For Model 15000, 15002, 18000, 18002
(15,000 lb / 18,000 lb. capacity)

POWER STATION™
AIR / ELECTRIC UTILITY BOX
Simply install the PowerStation™ on your surface-mount lift or nearby wall, bring in your air and electric service, and watch the results. You'll see improved performance and a more organized shop. No longer worry about trip hazards associated with cords and hoses stretched for great distances across your floor.

Arm Restraint Assembly
BH-7234-217
(Ref 12093)

WIDEN YOUR RANGE!

With extra wide single and dual wheel spotter dishes exclusively from SVI. Our wheel spotters are stamped from heavy gauge steel then powder coated and shipped with installation hardware. Each spotter is a ***full 15" wide*** to provide safe spotting for both wide and narrow wheelbase vehicles.

BH-9701 • Single Wheel Spotter Dish	10-3/4" x 15"
BH-9702 • Dual Wheel Spotter Dish	20-1/8" x 15"

POWER STATION™
AIR / ELECTRIC UTILITY BOX

Simply install the PowerStation™ on your surface-mount lift or nearby wall, bring in your air and electric service, and watch the results. You'll see improved performance and a more organized shop. No longer worry about trip hazards associated with cords and hoses stretched for great distances across your floor.

TERMS AND CONDITIONS OF THE
SALES ORDER
FOR SVI INTERNATIONAL, INC.

1. **GENERAL**. The terms and conditions of sales order outlined herein shall apply to the sale by SVI INTERNATIONAL, INC. (hereinafter referred to as "Company") of the items described on the facing page (hereinafter referred to as "Merchandise") to Purchaser.

2. **DELIVERY.** Delivery shall be deemed to be complete when the Merchandise has been shipped F.O.B. Company's plants in DeKalb, Illinois, and Montclair, California; ("Company's plants"). Shipments are subject to delays from causes or contingencies beyond the reasonable control of the Company. When otherwise not specified, shipments will be made in standard containers via carrier which, in the judgment of the Company, will result in the most practical method. Title and right of possession will pass to the Purchaser upon receipt by the carrier at the shipping point. If a customer of the Company should specify a specific carrier's method of shipment (i.e., UPS Next Day Air) and that carrier does not perform to the customer's expectations, freight credit to a customer's account will not be issued unless the Company can first obtain a credit.

3. **RISK OF LOSS.** Identification of the Merchandise under Uniform Commercial Code (hereinafter referred to as "UCC") Section 2-501 shall take place at the moment of shipment F.O.B. Company's plants. Risk of loss shall pass to the Purchaser when the Merchandise is shipped from the Company's plants.

4. **TITLE.** Title to the merchandise shall transfer to the Purchaser when the Merchandise is shipped from the Company's plants.

5. **WARRANTIES.** The Company guarantees its products to be free from defects in workmanship and raw materials for a period of one year from date of purchase. THIS WARRANTY IS EXPRESSLY IN LIEU OF ANY AND ALL WARRANTIES EXPRESS OR IMPLIED. COMPANY DOES NOT WARRANT THE MERCHANDISE IS MERCHANTABLE OR FIT FOR ANY PARTICULAR PURPOSE. Company's liability for breach of the terms of this Agreement, including any warranty, is limited to either refund of the invoice price of the Merchandise or at Company's option, replacement of the Merchandise free of charge, including transportation charges but not including the cost of labor. Purchaser has not relied on any statement or upon the conduct of Company with respect to the prospective use of the merchandise. Company shall not be liable for, and Purchaser waives any and all claims for any loss or damage, directly or indirectly, arising from the use of the Merchandise and for punitive, incidental or consequential damages, including, but not limited to, damages to property, for loss of use, loss of time, loss of profit or loss of income. The Company does not authorize the sale of our products under any other warranty, expressed or implied. **Please note:** Electrical components and cylinder or shaft seals are not covered under warranty.

6. **SETOFF.** All claims for money due or to become due from the Company shall be subject to deduction by the Company for any setoff or counterclaim arising out of this or any other claims of the Company or its affiliated companies, whether such setoff or counterclaim arose before or after any assignment by Purchaser.

7. **INDEMNIFICATION.** Purchaser agrees to indemnify the Company and hold it harmless from and against all claims, liability, loss, damage, or expense, including reasonable counsel fees, arising from or by reason of any modifications or alterations made by Purchaser. If a customer of the Company modifies or alters any part, in any manner whatsoever, or uses any part in departure from recommended performance specifications, said customer agrees to indemnify and hold the Company harmless from and against all liability and expenses based on damage to property or injury to or death of any person arising out of or attributable to such modified or altered part. Further, the Company will not accept any such modified or altered part for credit to a customer's account.

8. **FREIGHT POLICY.** Freight charges are prepaid and added to invoice or collect FOB shipping point. Note: All customers are responsible for all carrier shipping costs, fees, surcharges, etc. including order refusal and return fees.

9. **RETURN POLICY.** To return a part for credit or inspection, Purchaser must first contact our Main Office in Illinois, to obtain a Return Merchandise Form. Once Purchaser has obtained this form, the parts can be returned freight prepaid only. The Return form must be included with the shipment. Parts returned to the Company without the approved form will be returned freight collect to the shipper or refused. Returns must be initiated within 30 days of the invoice date. The Return Forms are valid for 30 days, from the date of issue. All Returns are subject to restocking charges. Return parts brought into our remote warehouses, will not be accepted by our personnel, without a Return Merchandise Form from the Main Office. Parts which have been used in any way or manner, including any installation or incorporation into a lift, hoist, or other equipment, shall NOT be eligible for return whether or not a Return form has been assigned. **Please note:** Electrical parts or components are not returnable for credit. This includes all switches, pushbuttons, relays, electric motors, capacitors, fuses, solenoids, power units with wiring issues or any other electrical items. Custom, built to order, special order, and non-stocked genuine parts are non-returnable.

10. **RESTOCK CHARGE.** Returns are subject to a restocking charge. Refusals are subject to the same restocking charge plus the cost of outbound and return freight charges and/or fees incurred by the Company due to shipment refusal.

11. **PRICES AND PAYMENTS.** All prices are subject to change without notice. All prices are F.O.B. shipping point. The Company standard terms are net 30 days, C.O.D. company check, C.O.D. cash, VISA, MasterCard, Discover or American Express. However, if in the judgment of the Company, the financial condition of the Purchaser at any time does not justify shipment according to standard terms of payment, the Company may require full or partial payment in advance.

12. **INTERPRETATION.** This sales order is intended by the parties as a complete and exclusive statement of the terms of their agreement. It supersedes all prior agreements, written or oral. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any terms used in this sales order. Acceptance or acquiescence in a course of performance rendered under this purchase order shall not be relevant to determine the meaning of this sales order even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity for objection. Whenever a term defined by the UCC is used in this sales order the definition contained in the UCC shall control.

13. **MODIFICATION.** This sales order can be modified or rescinded only by a writing signed by both parties.

14. **WAIVER.** No claim or right arising out of a breach of this sales order can be discharged in whole or in part by a waiver or renunciation of the claim or right unless such waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party.

15. **ASSIGNMENT.** No right or interest in this sales order shall be assigned by either party without the written consent of the other and no delegation of any obligation owed, or of the performance of any obligation by either the Company or Purchaser shall be made without the written consent of the other party. Any attempted assignment or delegation not made in conformity with this paragraph shall be wholly void and totally ineffective for all purposes.

16. **TIME TO PERFORM AND BRING ACTION.** Time is of the essence of this sales order. Any action for breach of this sales order shall be commenced within two (2) years after the cause of action has accrued. Any party who loses any litigation shall reimburse the other party for costs including reasonable attorney's fees. The exclusive jurisdiction for any legal action shall be the Circuit Court of DeKalb County, Illinois.

17. **APPLICABLE LAW.** This sales order shall be governed by the UCC of Illinois as effective and in force on the date of this sales order.
