

**Remarks of First Lady Amelita M. Ramos
At The Movie Premiere, Batman III
August 10, 1992**

Friends of the Heart Foundation of the Philippines, my countrymen, ladies and gentlemen:

In my capacity as General Campaign Chairman of the 1992 fund campaign of the Heart Foundation of the Philippines, I sincerely thank all of you for your general support of the Heart Foundation, as shown by your presence at this movie premiere. I also wish to assure you that the proceeds from this premiere will be spent on the hospitalization of indigent heart patients who undergo free surgery performed by volunteer doctors of the Heart Foundation. Your generosity, therefore, will help save the lives of many fellow human beings who otherwise would die if not operated on.

I also wish to thank Warner Brothers for making available to the Heart Foundation this film for free, Colgate Palmolive and Coca-Cola for sponsoring this premiere.

I wish you all an enjoyable evening. Thank you.
