Inspiring hope, growth, recovery and wellness in our communities

Behavioral Health Treatment Court (BHTC) Team

The BHTC Team is comprised of a TMHA Personal Service Specialist, a County Behavioral Health Therapist, a County Behavioral Health Psychiatric Technician, and a County Probation Officer. The BHTC team collectively works with 25-40 clients at any given time. The program acts as a divergence program, offering a reduced amount of probation time in connection with participation in mental health treatment.

WELLNESS • RECOVERY • RESILIENCE
