SETTING UP YOUR TEAM

1. Please contact Caity McCardell at 805-540-1926 or cmccardell@t-mha.org if you have any trouble with the following instructions.
2. Visit <http://support.t-mha.org/bat2020> and click on **I Want To Bowl!** and then **Create Your Own Team**. As you complete the information requested, remember that each team needs to raise a minimum of \$500.
3. Click on **Manage** in the upper right to invite 4 others to join your team. You can also edit items like your team's story, thank-you emails to donors, and other communications and tools.
4. When you edit your team's information, the Manage button changes to **View**. Click that to return to your team's page.
5. *You must now **Join Team** and have your own fundraising page.* Remember that your individual fundraising goal is \$100. Like your Team Page, you can edit your fundraising page by clicking on the Manage button in the right hand corner.

You are now ready to recruit teammates and ask for donations from friends, family, and colleagues! Use the social media icons to share your page, or simply copy the URL and paste it in an email or your social media. You can also use the emails you've edited in Manage. The more you put your personal connection with TMHA into your message, the better. Why are you raising money for our work? What do you find valuable about the agency? Draw in your donors with the emotional connection you feel, and you'll be well on your way to raising your individual goal of \$100 (\$500 for your team)! **THANK YOU!**
