

**Transitions-Mental Health Association**  
*Inspiring hope, growth, recovery and wellness in our communities*

**Forensic Re-Entry Services (FRS) Team**

The FRS Team is made up of 2 TMHA case managers who go into the County Jail and link with clients preparing to be discharged from custody, and transition them back into the community by connecting them to mental health treatment, residential opportunities, funding assistance, and more. The FRS team works with approximately 150 unique individuals each year, and maintains contact and services up to 60 days after release.

WELLNESS • RECOVERY • RESILIENCE
