Growing Grounds

DOWNTOWN

For top-quality plants and gifts, visit our retail store in downtown San Luis Obispo. The store provides work opportunities and training for people, particularly those who would like experience in retail and with the public and all retail proceeds are returned directly to the program.

What Services Are Provided?

- Soft job skills training necessary for any job. Including opportunities for increased responsibility and learning leadership skills.
- A safe and supportive environment for strengthening social skills.
- Access to trained staff to create personal milestones related to recovery.
- Opportunities to compete for jobs in the community through the Supported Employment Program.
- Retail and direct customer experience.
- A job and a paycheck.

Come Visit Us!

Our wide selection of plants includes natives, drought tolerant species, succulents, herbs, and vegetable starts, many grown at our sister Growing Grounds Farms in San Luis Obispo and Santa Maria. The store carries local products including house plants, fair trade crafts, air plants, gift items and honey.

Growing Grounds Downtown is located at 956 Chorro Street in San Luis Obispo, California, *just across the street from the Mission.*
