

LOMPOC FULL SERVICE PARTNERSHIP

a program of Transitions-Mental Health Association

Lompoc Full Service Partnership (FSP) provides services for adults, older adults, and transitional age youth with serious and persistent mental illness. The team provides treatment, support and rehabilitation services in the community with a “whatever it takes” approach.

SERVICES MAY INCLUDE:

- Individual and group therapy
- Assistance with independent living skills
- Regular appointments with psychiatrist and medication manager
- Monitoring of psychiatric symptoms and responses to treatment
- Education on symptoms and coping strategies of mental illness
- 24/7 response to mental health crises
- Goal-oriented, collaboratively developed individual recovery plans
- Housing and supportive housing services
- Supported employment, volunteer, and educational opportunities
