

Santa Maria Plant Sales Week of May 26, 2020

Dear customers,

We are considering our options for re-opening in a safe manner. We recognize how difficult it can be to shop by phone without seeing what you are purchasing and we appreciate the faith our customers have put in us. Starting this week we will be open by appointment for plant shopping only on Wednesday, Thursday, and Friday afternoons. You can call, email, or Facebook message us to make an appointment. Plant orders can still be placed by phone, as well. See our availability list below. Keep in mind that we also carry a variety of drought-tolerant trees and shrubs as well as succulents. Too many to list!

We will not be opening up our regular farm stand at this time. We are continuing to offer produce boxes this week. The produce boxes will contain a variety of items including broccolini, kale, arugula, lettuce, fennel, blueberries, and a few other items yet to be decided. Please call us at **805-934-2182** after 12 noon today to order a box. The cost and value of the box is \$20.

We also have a limited availability of flower bouquets available again this week. The cost is \$6. Please call us to order.

***new this week!**

4" square pots \$4.50
