

TMHA Wellness Center Virtual Group Opportunities

Hi Everyone! TMHA Wellness Centers are pleased to announce that we are now offering Virtual Support Groups and Classes!

Wellness Center Members are welcome to register for groups hosted by their specific center. Only current members of that center are open attending these groups.

Anyone interested in joining these groups yet is not a member will need to connect directly with the Center Supervisor to start the process of filling out a Member Information Packet.

The groups are offered through ZOOM and require a phone, smart phone, or computer to participate with audio only or video. We can help walk you through the process!

Please let us know if you have any questions. See you on ZOOM!
