# Math Tutor Volunteer

---

Transitions-Mental Health Association's Youth Treatment Program (YTP) is seeking a Math Tutor Volunteer to support the educational needs of our 7 live-in, public schooled, at-risk high school students.

The Math Tutor Volunteer would need to commit to at least 6 months of weekly tutoring, since the students really need a consistent presence. We're looking for someone who's willing to commit one or two evenings per week, 6:30-8:30pm on Monday, Tuesday or Wednesday.

Volunteer Tutors ideally will be very proficient in math, have an interest in teaching, and have a commitment to our mission to eliminate the stigma of mental illness.

Tutors also need to be very flexible and open-minded about a variety of clients' backgrounds, interests, and needs.

**YTP is located in  
San Luis Obispo, CA**

A non-profit organization serving San Luis Obispo and North Santa Barbara Counties, Transitions-Mental Health Association is dedicated to eliminating stigma and promoting recovery and wellness for people with mental illness through work, housing, community and family support services.

**To apply**, please fill out a volunteer application at [www.t-mha.org/volunteer.php](http://www.t-mha.org/volunteer.php) or drop by our office at 784 High Street, San Luis Obispo.
